We are comprised of local businesses that care about our community and invest locally. We are a non-profit and we work with other non-profits to “do good” for others at the local level.

We are focused on giving back to our community, encouraging people to pursue training in the building industry, and facilitate that training through scholarships.

Each year we host numerous events and opportunities for our members to network with each other and with community members.

We encourage everyone to check out our meetings and learn more about who we are and what we do. We’re an integral part of the community; our members are your friends, family, and co-workers. Our Association has grown tremendously this past year, and we are starting to gain momentum. We believe the Kenai Peninsula is a wonderful place to live, work and raise a family.

It’s also a wonderful place to retire and enjoy the great outdoors better known as “Alaska’s Playground”. KPBA has been an upstanding member of this community for over 40 years now, and we look forward to decades more.

Are you interested in joining? Do you need more information? Or would like to advertise in our directory? Call, text, or email. Either way, we want to meet you and show you who we are and what we’re about.

We also invite you to attend one of our member meetings and meet with our staff. We promise, it will be time well-spent. **Thank you! – KPBA**

## Kenai Peninsula Builders Association

Is pleased to support the people on the Kenai Peninsula who will be the future of our industry. Our program is funded through our Home Show, raffles, community events such as our annual Golf tournament, Wine tasting events and Gala events.

We award thousands of dollars each year to graduating seniors and now any adults, who are pursuing education/training in a building industry-related field.

This year, our goal is to raise more than we ever have. We encourage our community members to attend our meetings and events to learn more about how we can all invest in the future of the Kenai Peninsula.

**Kenai Peninsula Builders Association (KPBA)** is a non-profit trade organization affiliated with **Alaska State Home Building Association (ASHBA) & National Association of Home Builders (NAHB).**

Our membership consists of residential builders, developers, remodelers, subcontractors, and associated members in allied fields related to the shelter industry. The goal of our organization at all levels is to provide safe, affordable housing that is well-designed and well-constructed for all Alaskans. The KPBA is dedicated to promoting high ethical standards, education, leadership, and a political forum for our growing membership.

KPBA holds monthly membership meetings from September through May. We also host many events throughout the year to help support our cause, our charitable contributions, and our Scholarship program.

You can see a list of our events on our calendar at [www.kenaipeninsulabuilders.com](http://www.kenaipeninsulabuilders.com) We have grown in membership and community outreach over 2023. We endeavor to continue to this growth and do more in our community. It has always been our mission to provide safe and affordable housing across the Peninsula. We are professionals, we take pride in our trade, and we look forward to continuing to do so with great vision in 2024.

**Membership Application:** You can easily apply for membership online at [www.kenaipeninsulabuilders.com/members/](http://www.kenaipeninsulabuilders.com/members/), or we can email you an application. Builder members must have appropriate licensure as mandated by the State of Alaska. Membership applications are reviewed monthly at Board of Director meetings. Dues: There are two categories of membership: Builders and Associates. Annual dues are \$410.00 per year. Scan QR code to apply today!

**Mission Statement:** The Kenai Peninsula Builders Association is a non-profit organization of building and industry professionals promoting quality housing and education for our community.

**Are you in the building industry? If so, you should consider joining the Kenai Peninsula Builders Association (KPBA).**

**Here's why:** We are an association of professionals in all fields related to the home building industry. General contractor, banker, insurance agent, realtor, decorator, landscaper, supplier, or anything in between, our association has need of you.

**Our mission is to promote quality housing and education for our community.**

This means that we work together with other Home Builder Associations in Alaska to represent our members at the State capital and national level. Membership is three-tier with local (KPBA), State (ASHBA) and National (NAHB) memberships combined as one.

**There are benefits at each level:**

**Local:** networking, education, marketing, local discounts on Home Show booths & early bird specials for the KPBA directory.

**State:** networking, education, & rebates.

**National:** networking, education, discounts through business partners and at the International Builders Show.
